Mission

Mulhurst Camp's mission is to experience God's love in a natural setting. We're passionate about sharing our beautiful scenery and campgrounds with all while helping people to enjoy a break from day-to-day life surrounded by nature and fellowship.

Vision & Values

Our vision is for a community where all can reach their full potential in spiritual awareness and servant leadership. All of our camp programs and events contain an element of this vision as we grow and spread the message of God's love and humility with guests. Based on our mission and vision for Mulhurst Camp, we follow a set of organizational values each day:

- A culture of camping
- Dedication to the service of God and others
- Spiritual rejuvenation in nature
- Leadership development
- Creativity and teamwork
- Community volunteerism
- Personal care and growth for children, youth, and families
